

MANUFACTURER'S 12 MONTH LIMITED WARRANTY

Your Joyzze product is warranted against manufacturer's defects for one year from the date of purchase. If your Joyzze clipper is determined to be defective in material or workmanship during the warranty period, Joyzze will repair or replace the product. Customer only pays shipping. Return the defective product along with proof of purchase, enclose a return fee of \$15.00 USD, and a note explaining the problem to:

Joyzze Service, P.O. Box 440098, Kennesaw, GA 30160.

Modifications or repairs not made by Joyzze™: accidental damage, misuse, neglect, use of unauthorized attachments or parts are not covered by this warranty.

FAILURE TO CHARGE

Make sure the outlet is working and plugs are well seated in the clipper and outlet. If clipper still fails to charge return for maintenance (see Manufacturer's 12 Month Limited Warranty).

LITHIUM-ION BATTERY USE, STORAGE, AND DISPOSAL

1. The Joyzze Clipper comes installed with a rechargeable lithium-ion battery. The battery does not develop a memory effect and can be recharged at any time.
2. If the clipper will be in storage from several months or longer, store with a partial battery charge of about 40%.
3. Store clipper in temperatures between 50°F/10°C and 104°F/40°C. Do not store in damp conditions.
4. Do not place the clipper near heat vents, radiators, or in direct sunlight. Optimal charging requires stable temperature conditions while sudden increases in temperature will reduce battery charge capacity.
5. Initially, new lithium-ion batteries may not fully charge, but will after several recharge cycles.
6. When not in use for extended periods, disconnect the adapter cord from the AC outlet.
7. Check with your municipal solid waste organizations for details on lawful disposal and recycling options.

CLIPPER REPAIR SERVICE

Call Joyzze Customer Service at 877-456-9993 or email us at info@Joyzze.com for assistance resolving any issues you're experiencing with your Joyzze Clipper. If your issues cannot be resolved over the phone or via email we will assist you with the return for repair service process. If you wish your clipper to be serviced as well it should be carefully packed and mailed either Parcel Post Insured or U.P.S. to:

Joyzze P.O. Box 440098, Kennesaw, GA 30160.

See Manufacturer's 12 Month Limited Warranty, Warranty Card, and Repair Service Instructions.

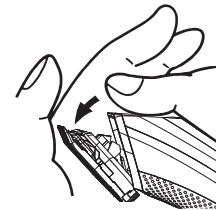

CAUTION: Turn OFF the clipper and disconnect from outlet before performing maintenance.

Blade Removal, Maintenance and Installation

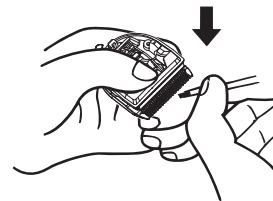

◆ Blade Removal

Hold the clipper face up with one hand and press the blade down with thumb.
Remove the blade into the other hand to avoid dropping the blade.

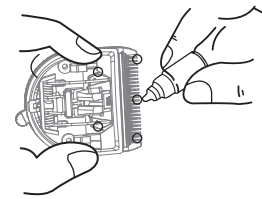

◆ Blade Maintenance

1. Blade cleaning: Press and hold the top of the shear blade. Use the cleaning brush to clean hair between the shear blade and the fixed blade.

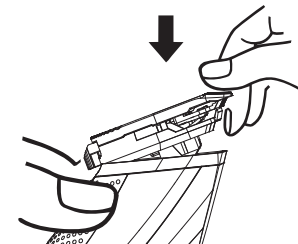

2. Blade oiling: Use 1-2 drops of lubricating oil on the 5 points shown below.

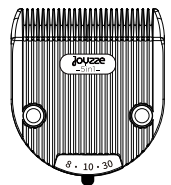

⊘ Do not detach the blade spring while maintaining to avoid malfunction.

◆ Blade Installation

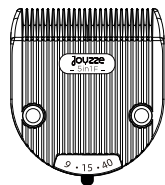

Hold the clipper face down with one hand and place the bottom of the blade aligning the middle of the blade with the clipper. Push the front of the blade down until it snaps into place.

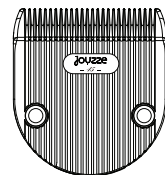

Standard-Adjustable Blade

Standard blade: 0.7 - 1.3 - 1.9 - 2.5 - 3.0 mm
 Size adjustable: 30 - 15 - 10 - 9 - 8

FINE-Adjustable Blade

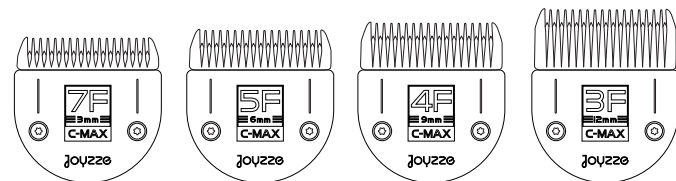

Fine blade: 0.5 - 1.0 - 1.6 - 2.2 - 2.8 mm
 Size adjustable: 40 - 30 - 15 - 10 - 9

#45

Non-Adjustable blade: 0.5mm 1/50"

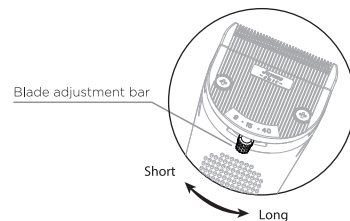

Non-Adjustable Blades

Material

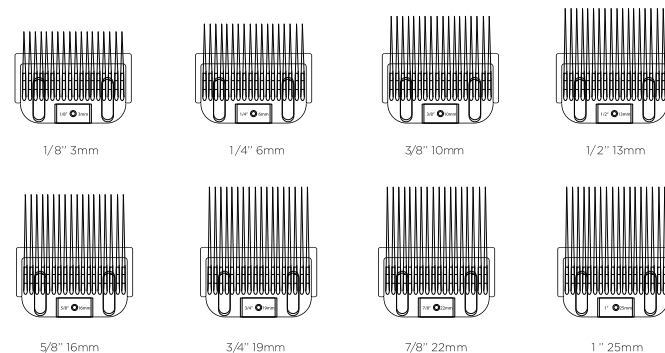

Comb blade: 440C Stainless steel
 Shear blade: Proprietary coated ceramic

Blade Length Adjustment Operation

Joyzze blades work with most 5-in-1 style clippers

Clipper Combs

- Work perfectly with most 5-in-1 style clippers.
- * Please adjust the FINE blade to the 30 or 40 position when using combs.
- * Please adjust the STANDARD blade to the 15 or 30 position when using combs.

For best results use on untangled brushed hair.

8 Piece Metal Guard Combs Set (item #: 0214)

Joyzze Hornet clipper can be customized with unique front cover designs. These covers can easily be replaced at anytime for a fresh new look.

IMPORTANT SAFETY INFORMATION

When using an electrical appliance, basic precautions should always be followed, including the following:

Read all instructions before using your Joyzze clipper.

DANGER: To reduce the risk of electric shock:

- 1. Avoid placing or storing clipper near water or other liquids.
- 2. Do not use if clipper, plug, or charging stand has been immersed in water or other liquid.
- 3. Unplug immediately if clipper falls into water or another emergency occurs.
- 4. Unplug cord from outlet and clipper except when charging.
- 5. Turn clipper off and unplug cord from outlet before cleaning or changing parts.

WARNING: To reduce the risk of fire, electric shock, or personal injury:

- 1. Clipper should never be left unattended when plugged in.
- 2. Supervision is necessary when used by, on, or near children or individuals with certain disabilities.
- 3. Use this clipper only for its intended use. Do not use attachments not recommended by Joyzze.
- 4. Do not use this clipper if cord or plug is damaged, if it is not working properly, if it has been dropped, or immersed in any liquid. Return to Joyzze for repair.
- 5. Do not use an extension cord with this clipper.
- 6. Keep the cord away from heated surfaces.
- 7. For indoor use only. Do not use around aerosol products or where flammable gasses, such as oxygen, are in use.
- 8. To avoid injury: never use this clipper with a damaged or broken blade or comb.
- 9. To disconnect: turn control to OFF then remove plug from outlet.
- 10. Use only the charging stand supplied by Joyzze to recharge.
- 11. This clipper is not intended for use by children or persons with reduced physical, sensory or mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instruction concerning use of the appliance by a person responsible for their safety.
- 12. Remove battery before disposing of product.
- 13. Dispose of battery properly and safely.

KEEP OUT OF REACH OF CHILDREN
